Empanelment of the experienced agencies for valuation of lands and buildings and other assets of Nagar Nigam Moradabad

02. Introduction

The Nagar Nigam Moradabad (hereinafter referred as 'NNM') is undertaking a number of developments works for in the city. The various works comprise the maintenance, strengthening & new construction works etc. of roads, sewers, drains, water supply, vehicle procurement and maintenance civil & electrical Works of different nature including RCC and steel structure works.

03. Objectives

The main objective of this Tender Notice is to empanel experienced agency/agencies for the valuation of land and building assets of the NNM. The NNM wishes to find out the exact valuation of its assets for issuances of Municipal Bonds.

04. Scope Of Work

The broad scope of work for the Asset Valuer is to carry out valuation of assets including Land & Buildings on "as is where is basis". The valuation is to be done keeping in view the objective of issuance of Municipal Bonds and would be changed if there is a change in the objective.

4. 1 In estimating the market value for the above assets, the Valuer shall clearly identify and describe the property being valued provided by the NNM.

4.2 Due Diligence and Review of the location, site plans, Plant & Machinery and due diligence on approvals from various regulatory authorities as applicable, lay outs etc., review of physical encumbrances, if any

4.3 Collect information and conduct due diligence of matters like market information, quotations and offers of similar assets sold or available in close proximity to the subject property

4.4 Value of the property by anyone or a combination of the following methods:

- 4.5.1 Comparison Method
- 4.5.2 Income Capitalization
- 4.5.3 Discounted Cash Flow
- 4.5.4 Cost Approach method
- 4.5.5 Replacement valuation or
- 4.5.6 Any other generally accepted valuation method

**Empanelment of the experienced agencies for valuation of lands and buildings
and other assets of Nagar Nigam Moradabad**

- 4.5 Suitably provide the Justification/logic/assumption for selecting the appropriate method for valuation.
- 4.6 State any assumptions or limiting conditions with sufficient supporting empirical data that may affect the analysis, opinions, and conclusions indicating implications on final valuation quantitatively and qualitatively.
- 4.7 Provide sufficient information to permit those who read and rely on the report to fully understand the data, reasoning, analyses and conclusions underlying Asset Valuer's findings, opinions and conclusions.
- 4.8 Completely and understandably set forth the valuation report in a manner, which will be comprehensive, accurate, and not in any manner misleading.
- 4.9 The Valuer will be responsible for generating a draft report (without giving specific figures of valuation) within a period of 2 (two) weeks from date of appointment and making detailed presentations on the subject matter as may be required by the NNM.
- 4.10 Post presentation, the Valuer, shall, if required, incorporate the suggestions as may be requested by the Government or provide for any other additional clarification that may be required. The final deliverable shall be a Final Valuation Report to be delivered as and when asked for by the NNM.
- 4.11 The valuer may be required to update the valuation report if asked for by the NNM
- 4.12 In addition to above scope of work, the Valuation Report should, inter alia, provide the following:
- 4.12.1 Inception Report
- 4.12.2 Approach & Methodology followed.
- 4.12.3 Valuer's assessment on the aspects mentioned above and other considerations taken in valuation of assets and how these have been considered in arriving at the values
- 4.12.4 Value of the fixed assets covering land, building, plant and machinery and other fixed assets, indicating the following:
- Land- Land and title details, values arrived at with reference to various sources/methods, market value, circle rate; final recommended value etc.
 - Building- Specifications, condition computation of fair value (Such as details) regarding current costs, depreciation for past usage, additional cost required for repair & renovations, etc.)
 - Plant and machinery- Specification, condition, computation of value (Such as details regarding current costs, depreciation for past usage, additional cost required for repair & renovations, scrap value factoring into the obsolescence in technology etc.)
 - Other Fixed Assets- Specifications, condition, depreciation for past usage and additional cost required for repair and renovation, values arrived at with respect to various

Empanelment of the experienced agencies for valuation of lands and buildings and other assets of Nagar Nigam Moradabad

4.12.5 Any other matter which the Valuer in his own judgment feels is worth indicating Replacement Value and Realizable Value for the assets must be shown separately. If in the opinion of the valuer certain Assets are likely to realize only scrap value, the same should be clearly indicated with suitable justifications for the same.

4.13 Valuation report should indicate valuation of assets separately in respect of various units / segments of the company and also on consolidated basis.

4.14 The valuer shall be required to provide post disinvestment support / services relating to valuation issues.

4.15 The Scope of Work mentioned above are indicative and nonexhaustive in nature. There might be some services relevant but not expressly captured in the aforesaid Scope of work, which upon being brought to the notice of the Asset Valuer by the Government will also form an integral and mandatory part of the Scope of work.

4.16 The valuer shall be required to interact with Transaction Advisor and Legal Advisor for providing appropriate inputs as and when required.

4.17 If the final valuation report as submitted by the valuer is found not to be in conformity with Scope of Work as mentioned above, then the Government reserves the right to reject the report in to.

4.18 All valuations made in respect of government norms, and market rates as per Municipal rules.

4.18 The valuer will take all necessary steps to ascertain the correct valuation. The valuer will be responsible for the findings, suggestions, and implications of their report on the assignments allotted

4.20 The valuer will maintain the secrecy of the work assigned to him and his report on valuation. He shall not divulge any information that he may come across at any stage of valuation to others.

4.21 The valuer should undertake to inspect the lands and buildings assets with due care and diligence without damaging them.

4.22 The valuer should undertake to complete the valuation work, including submission of the valuation certificate within the given time from the date of receipt of the work order.

4.23 On approval of the tender, the selected valuer has to enter into an agreement accepting the terms and conditions and other legal requirements.

4.24 The Selected Party will coordinate with the properties Department of NNM for List properties and other assistance.

**Empanelment of the experienced agencies for valuation of lands and buildings
and other assets of Nagar Nigam Moradabad**

5. Duration of the work & Payments

5.1 Time period for the full valuation process will be of 01-month time taken by the valuer shall not exceed one month. In case if NNM found further extension is required for whatsoever reason the desecration shall be lies in the NNM's will.

5.2 Payment to the bidder will be made only after completing the satisfactory works and submission of the complete valuation reports.

5.3 No running payment shall be made to the valuer during the process.
